

DASH & DECK LIGHTS

Introducing Weldon's new Dash and Deck Lights ideal for volunteer fire personnel and EMT's, marked or unmarked police or law enforcement vehicles, ambulances, and other emergency vehicles such as fire and rescue trucks. Utilizing our Patented "V-LED" ultra-bright light emitting diode (LED) Technology. Each unit is equipped with a 4' power cord, push button on/off switch, a selection switch for cycling through over 15 flash patterns, and a 12V DC automotive style plug adapter. Available in various color and module configurations. Please contact Weldon customer service or your local Akron Brass/ Weldon sales representative for Part Numbers and Configurations.
